Care Package Packing for the Troops

Christmas is coming and we will be packing care packages loaded with goodies to bring some holiday cheer and to bring in a New Year. Come and help us spread some Holiday Joy and pack a box for one of our troops far away from home. Defending us and our country.

We will again be packing on the third Tuesday of the month November 19th at 6:00 PM in the 2nd Floor of the Hickory Hills Community Center, 7800 W 89th PL. Don't be late the boxes go quickly. Help make our troops time away from home better. Come wish them a holy jolly Christmas. Thanks.

Jim Kruse

Thank you letter from the Troops

Dear Jim,

I just want to give a shout out to Kruse's Krew. I am stationed on board the USS DEVASTATOR. Thank you for the care packages that you send to my ship, they are a welcomed treat that are enjoyed by all the crew. It's hard for us to be stationed in a forward deployed, fully engaged environment, and the fact that we have conformation that there are people back stateside that are thinking of us brings a lot of self satisfaction. Thank you again!

LIFE IS HARD, BUT HAVE NO FEAR

Today's readings take a fearless look at reality and reach a conclusion that we all know: life is hard. The prophet Malachi preaches fire and brimstone, warning us that evildoers will perish in flames. Saint Paul offers his own warning to the Thessalonians: keep busy, but never become a busybody. He reminds Christians that the apostles themselves worked in "toil and drudgery" as a model for how we ought to contribute to our community. The Gospel returns to the apocalyptic tone of Malachi, describing the utter chaos of the end-times. We will know the end is near when violence, catastrophe, and hatred dominate the earth. But we must not fear! God's saving plan brings peace to our hearts. Malachi speaks of the sun's "healing rays," and Jesus himself promises to protect every hair on our heads.

No Good Deed Goes Unpunished

When Jesus rose from the dead, he showed his disciples that even death will be overcome by God. In today's Gospel, he expands that to include most of the bad things that can happen to both non-believers and disciples alike.

Starting with the destruction of the temple in Jerusalem, Jesus mentions most of the scary things that people thought would bring the end of the world. He gives two pieces of advice. First, don't be fooled by anyone who says this is the end or who claims to be Jesus. When Jesus comes again, there will be no doubt about who it is. Then, don't be terrified by natural disasters or wars.

As disciples, we hope we would respond to disasters not with fear, but with love. Believers can voluntarily help those affected, comfort the survivors, or help rebuild their homes or schools. People have welcomed strangers into their homes after a flood or hurricane has destroyed a neighborhood.
